To be signed by one of the authors, who agrees to inform the other authors, if any.

I hereby transfer exclusively to Frédéric Bosché, Editor, LC3 Volume I (*Proceedings of the Joint in Computing in Construction Conference incorporating CIB W78 and CONVR*) and/or to Ken Walsh, Editor, LC3 Volume II (*Proceedings of the 25th Conference of the International Group for Lean Construction*), all rights granted to me by the copyright laws of the United States of America and/or other countries, subject to the specifications and reservations below:

1. The transfer of copyright is effective upon acceptance for publication of the work in the Proceedings including the LC3 conference and/or the IGLC and/or the CIB W78 and/or the CONVR internet home pages.
2. The authors reserve all propriety rights (such as patent rights) in this work other than the copyright transferred to the Editor(s) by this document.
3. After this work has been published by the Editors in the Proceedings of the LC3 Conference, the authors have the right to republish it, in whole or part, in any publication of which they are an author or editor, and to make other personal use of the work. Any republication or personal use of the work must explicitly identify prior publication in the LC3 Proceedings, including page numbers.
4. If this work is in the public domain, such as government work, the authors simply authorize its publication.
5. If this work is subject to security clearance, the authors certify that as of the date below it has been cleared.
6. The authors warrant that the above work has not been previously published, or if it has, that they have obtained permission for its publication by the LC3 Proceedings Editors and credited the original publication and copyright owner.
7. The authors grant the organizers and/or the coordinators of the IGLC/CIB W78/CONVR communities the right to post a PDF version of their paper on an open access database, including but not limited to the IGLC, ICONDA and ITcon paper repositories.

I understand that until at least one author of this work has furnished an executed copy of this document to the LC3 Proceedings Editor, the above work will not be processed for publication.
